

# Parent Powerschool Access Instructions

August 2018

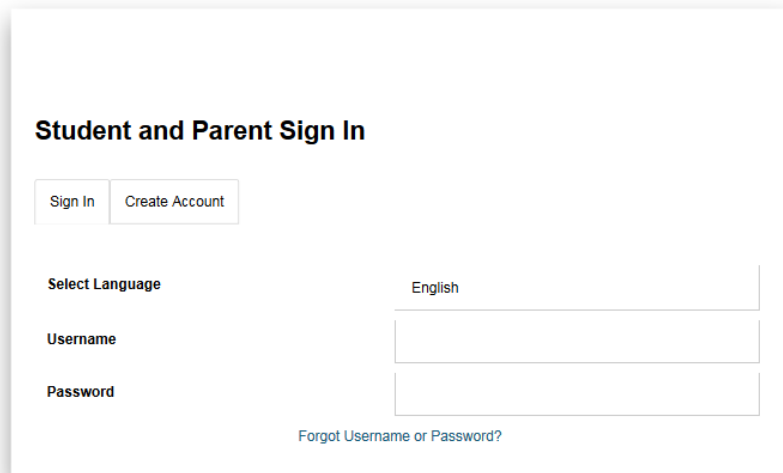

## Attention DSMS Parents:

If you have not created your Parent Powerschool account, please follow these steps to access your child(s) grades and attendance. *(Note: If you created your Parent Powerschool account last year, you will be able to log in with the same username and password that you created.)*

Please log in to the following website:

Website: <https://nogalesusd.powerschool.com/public/home.html>

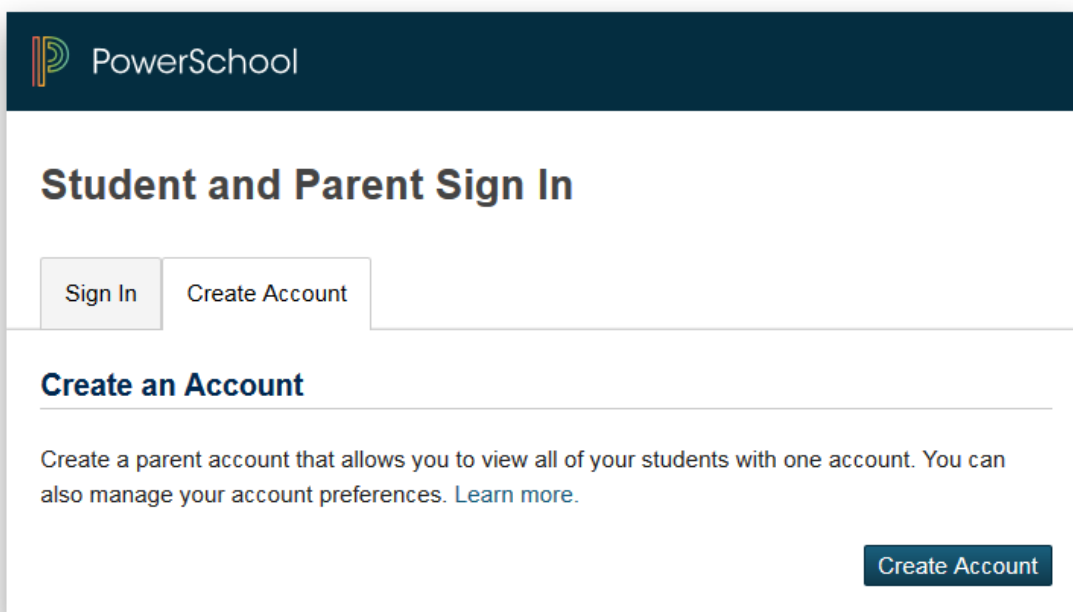

- (This is what you will see.)

The screenshot shows the Powerschool login interface. At the top, it says "Student and Parent Sign In". Below this are two buttons: "Sign In" and "Create Account". There is a "Select Language" dropdown menu currently set to "English". Below that are three input fields: "Username", "Password", and a "Forgot Username or Password?" link.

- Choose “Create account”

The screenshot shows the Powerschool "Create an Account" page. At the top, there is a dark blue header with the Powerschool logo and the text "PowerSchool". Below the header, it says "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". Below the buttons, there is a section titled "Create an Account" with a horizontal line underneath. The text below the line reads: "Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. [Learn more.](#)" At the bottom right of the page, there is a dark blue button that says "Create Account".

- **You will now create a Username and Password using your “Parent/Guardian Web Id and Password” Access ID (“username”) and Access Password (password) given to you during DSMS Registration. (If you have one or more child in any NUSD school, you will be able to add them with their username and password given by another school).  
*Note: Additional students can be added at a later time.***

The image shows a screenshot of the PowerSchool website interface. At the top, there is a dark blue header with the PowerSchool logo and name. Below the header, the page is titled "Create Parent Account". The form contains several input fields: "First Name", "Last Name", "Email", "Desired Username", "Password" (split into two boxes), and "Re-enter Password". A note below the password fields states "Password must: •Be at least 6 characters long".

Below the "Create Parent Account" section is the "Link Students to Account" section. It includes a heading and a sub-heading: "Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account". There are two numbered sections for adding students. Section 1 has fields for "Student Name", "Access ID", "Access Password", and a "Relationship" dropdown menu with "-- Choose" selected. Section 2 has fields for "Student Name", "Access ID", and "Access Password".

**When you are finished you may view your child’s grades using the User ID and Password that YOU created. If you have any questions, please see Ms. Garcia, Ms. Romo, or Ms. Orozco in the front office.**

*Note: Students may log in using their same Powerschool Web/ID access given during registration; they do not need to create an account.*
